## BUSINESS EXPERIENCE

- 2021 MCKINSEY & COMPANY, Budapest, Hungary**  
**Intern at the Ecosystem Strategy Hub (6 months)**
- Constructed the Excel model for the data analysis of an American fortune 500 company used to produce their annual report, covering 41 countries on 6 continents
  - Collaborated with 4 senior partners across 3 international offices to publish an in-depth study on the potential of a new ecosystem worth ~\$21tn and ways of capturing its value pools
  - Streamlined the sizing of ecosystem value pools by developing a benchmarking database covering over 200+ companies in Excel to be used to build business cases in live engagements
- 2020 INVESCOM CORPORATE FINANCE, Budapest, Hungary**  
**Boutique Investment Bank focusing on transactions in the CEE region**  
**M&A Analyst Intern (3 months)**
- Managed the process of finding Venture Capital investors for a \$10m Series A fundraise by a Hungarian-American novel medical device company
  - Analysed 10+ companies in the Software, PropTech, and Packaging industries by delving into their financial statements and conducting DCF and comparable company analysis
  - Researched M&A trends in the CEE technology sector and presented findings to senior bankers with the purpose of supporting the company's business development efforts
- 2019 – 2020 POMPEU INVESTMENT CLUB**  
**Student run investment club at the Universitat Pompeu Fabra**  
**Investment Analyst (9 months)**
- Cooperated with a 24-person team to administer the club's 3 quarterly funds worth a combined €5,000 and achieved an average return of 20%
  - Initiated and managed the team's efforts to establish financial partnerships with sponsors through writing equity research reports on companies in the technology sector
- 2017 – 2019 WARWICK CONGRESS**  
**Student-run society studying issues related to innovation in the professional services industry**  
**Careers & Sponsorship Team Member (2 years)**
- Worked together with a 6-person team to pitch corporate partnerships to 25+ companies raising £20,000+ in 2 years for the organising of the society's annual conference
- 2018 JP MORGAN CHASE & CO, London, United Kingdom**  
**Finance & Business Management Spring Week Intern (3 days)**
- Learned about the workings of the Product Control Group by shadowing first- and second-year analysts, participating in mock assessment centres and speed networking events
-
